

Hearts on Ice

WRSSSC Club Competition

Thursday March 8, 2012

Centennial Arena

The White Rock South Surrey Skating Club is excited to host the first Hearts on Ice Year-End Club Competition.

The goal of Hearts on Ice is to promote and showcase our Club skaters at every stage of their development, introduce them to the idea of competition in a fun, friendly environment, as well as foster team spirit among all Club members, including skaters & parents.

All skaters will compete in a team relay as well as two other events suitable to their level of development. Skaters will be grouped by the coaches based on age & skill. For any pair events, the coaches will assign the skaters to be paired; skaters will be paired with different partners in each event.

Hearts on Ice is open to all WRSSSC home club skaters, and the fee has been included in the annual membership. While it is not mandatory, we hope each and every skater will participate in this fun and friendly year-end celebration.

There is no regular skating on March 8th. The competition will run from 3:15-7:15 pm, and skaters' events will be scheduled as close to their regular practice times as possible. We encourage family and friends to come cheer on skaters as they demonstrate their skills; refreshments will be served.

Fun events for all skaters

- ✓ CanSkate
- ✓ Accelerated
- ✓ TeenSkate
- ✓ STARSkate

Whether or not you plan to participate, please return the attached form by Friday February 3rd.
