Sugar Plum Family Skate

Thursday December 17
4-5:30 pm
Centennial Arena

On the last day of CanSkate before the seasonal break, WRSSSC hosts a fun family skate for all club skaters and their families. Parents, grandparents and siblings are welcome to join their skaters on the ice for a relaxed skating session. It's a great opportunity for skaters to show off their new skating skills while enjoying some holiday fun with their CanSkate friends and family members.
