STARSkate Update

JINGLE BLADES SIMULATION

Thursday November 12, 11 am, Centennial Arena

In preparation for Jingle Blades, the club is holding a competition simulation. Similar to a dress rehearsal, this is a chance for skaters to practice their warm-up routine as well as their program in a competition-like setting, and perhaps work out some nerves and costume kinks. Skaters will receive constructive feedback. Friends and family are welcome to watch – the more fans, the more realistic the experience! More details are available from your coach.

**Club clothing on sale soon!
Watch for ordering details.**

Jingle Blades 2009 is fast approaching, and we will be calling on all STARSkate members & their families to help make our 15th annual competition a success. Mark the weekend of November 27-29 on your calendars, and watch for volunteer sign up information coming soon.
